PHILIPS
sense and simplicity

Soy milk maker
1.0~1.2L 900W

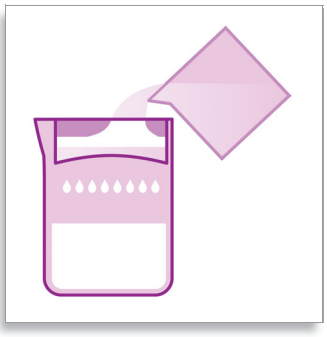
HD2051/01

Highlights

100% food-grade lubricant

100% food-grade lubricant on motor shaft seal & bearings

Specially designed sieve



Finish filtering in one pour without stirring thanks to the specially designed sieve

Cageless design

The cageless design and smooth surfaces without screws and protruding edges are easier to clean

Uniquely shaped blade

Uniquely shaped blade combined with streamlined ribs on the housing for finer cutting and grinding

Enlarged bottom radius

The enlarged bottom radius of the inner pan allows for easy reach, so you can give it a clean sweep in one go.

Favorite drinks made easily

Making your favorite drink is easy by selecting the right program, including dry/soaked soymilk, five grains soymilk, rice paste & veggie/fruit juice
